Unless otherwise stated, all shipments door to door include shipping, customs clearance, port fees, terminal handling and delivery. Shipments to port only, unless otherwise stated, do not include customs clearance, port fees, terminal handling and delivery. Rates are valid per the service specification listed above and are based on equipment availability. Unless stated otherwise, you are responsible for wrapping and packing all items securely into boxes and wrapping furniture items with moving blankets or bubble wrap covered with cardboard. If items are not packed, stacked and secured properly, we cannot guarantee their safe arrival. Each box or item of furniture needs to be labelled. We require a deposit of \$400 or local currency equivalent per pallet or ucrate kit before sending out to you any U crates or pallets and \$1000 or local currency equivalent deposit before securing a booking of a shipping container on a vessel. If you cancel before U Crates / pallets have been dispatched to you or container has been booked on a vessel you will receive 75% refund. If U crates / pallets have been dispatched to you for loading or container or truck equipment has already been dispatched or is cancelled within 48 hours of loading date then the deposit cannot be refunded. Deposits are to be paid online with no processing fee. U crate 50 /100 and pallets are normally delivered to curbside or driveway. U Crate 200 and shared container service includes ground floor delivery into residence.

Rates do not include the handling of large heavy items such as but not limited to pianos, safes and pool tables, or the shipping of cars, trucks, motorcycles and other motor vehicles unless otherwise specified. Rates do not include General Average, declared force majeure, storage, demurrage, GST, quarantine or fumigation fees, customs inspection / security charges or X Ray fees, parking or permit related charges, emergency fuel surcharges, customs duties, taxes or any charges related to difficult access at origin or destination address. You must be at your destination prior to your shipment arriving. Shipment must be paid in full before shipping. We accept payment by electronic check (ACH) or equivalent. If you pay the balance online by credit card there will an additional 5% processing fee charged.

If you are using any of our equipment at our terminals or offices or loading a shipping container, pallet or U Crate, this is done at your own risk and you the shipper agree under no circumstances to hold UPakWeShip / EuroUSA Shipping Inc and or its subcontractors and terminal operators liable for any injury or damage however caused.

Whilst it is our job to make the logistics run smoothly at all times, trucks can break down, hit bad weather, get lost or run late and we cannot be held responsible for any compensation if a truck or container does not arrive on time. Shipping lines can change schedules at short notice therefore dates and times are only estimated and we cannot be held responsible for any delays. In the event of any loss or damage arising from the fault or neglect of UPakWeShip / EuroUSA Shipping Inc, liability will be limited to \$0.20 per pound. Whilst we or our agents will always endeavor to deliver U crate 50 and 100 and pallets to curbside, customs or other government or commercial establishments might need to open them for inspection beforehand

which can result in contents being delivered “loose” into your ground floor residence due to logistical or other reasons beyond our control. Unless otherwise stated, self-load shipping containers include 2 hours for loading and unloading time and an hourly waiting time rate thereafter.

I have read and agree to the above pricing, service, terms, and conditions.
